

AUDIOBOOKS

Where to Download Free Audio Books

Here is how to find thousands of audiobooks for free online.

Having a free audiobook in the car for when you run errands, on your phone when you are traveling, or on your computer to enjoy while you work, can keep you sane and add some fun and interest to your day.

These websites offer completely free audiobooks for you to download and listen to whenever you want. You will not find any samples here — at these websites, you will be able to download complete audiobooks.

The free audiobook downloads below are all legal. They are either public domain or the websites have permission from the author to offer the audiobook for free. Most of the time you will be downloading these books as MP3 files (or sometimes WMA or AAC files) that can play on your computer, tablet, phone, iPod, or MP3 player.

There are lots of websites aside from the ones below that offer free audiobooks that you can download through torrent websites. However, you should know that while that method of sharing audio e-books and other digital files (e.g., movies, software, music, etc.) may seem completely fine, it is normally illegal in most countries and is typically considered an unsafe way to share files since it is a common way to transmit malware.

➤ LibriVox

Link: www.librivox.org

Free public domain audiobooks read by volunteers from around the world.

LibriVox has a **huge selection of free audiobooks** that are recordings of volunteers who have read chapters from books that are in the public domain.

You can **find a free audiobook** by searching by title, author, genre/subject, or language. You can also browse all the titles in the catalog, view only the most recent audiobooks, and subscribe to new releases as podcasts.

Once you reach a book's description page, **you can read** more about it **and even listen to the chapters individually** without having to download each of them. However, if you do want to download the whole audiobook, every chapter included, you can do so in a ZIP file, directly from *LibriVox*. Some are also available through a torrent and M4B file.

LibriVox is also **available for iOS and Android devices** so you can download audiobooks to your phone or tablet, or stream them on the go.

What We Like

- You can listen to specific chapters without having to download all of them.
- Several ways to find a specific audiobook.
- It allows you to receive new audiobooks by podcast.
- Available in many languages.
- Works on mobile devices.

What We Do Not Like

- You cannot sort audiobooks by most popular.

➤ **Audible**

Link: www.audible.com

Audible has a **30-day free trial** going which means that you can download any two audiobooks of your choice for free during that time.

Audible has a **great selection of audiobooks** and you will be able to find just about any audiobook you are looking for, including best-sellers and new releases.

After the 30-day trial, **you can get one book each month for a monthly fee**, no matter the price of the book.

What We Like

- There is a huge selection of audiobooks.
- Get two audiobooks completely free.
- The audiobooks are yours to keep forever.
- Listen to your audiobooks from a mobile device or computer.

What We Do Not Like

- The trial period is only one month long.
- Limits you to just two audiobook downloads.
- Must pay monthly after the trial to keep downloading audiobooks.

➤ **Lit2Go**

Link: <https://etc.usf.edu/lit2go>

Lit2Go is a unique free audiobook website that **organizes their audiobooks based on readability** using the Flesch-Kincaid Grade Level index. Do not worry if you are not sure what that is — *Lit2Go* is a great place to download audiobooks even if you're not a teacher.

Each book can be downloaded by the chapter and includes popular classic titles like Aesop's Fables, Alice's Adventures in Wonderland, Anne of Green Gables, The Call of the Wild, Oliver Twist, Wuthering Heights, and many, many more.

You can **browse through genres** like Fable, Gothic, Epic, Adventure, Informational, Horror, among others. The audiobook downloads can also be found by collection such as The Civil War and The Books of Oz.

For some of these audiobooks, you can also **download a PDF version** of the text to follow along, in addition to a student activity worksheet. Others have the text on the book's download page.

What We Like

- Organizes audiobooks by reading level.
- Books are categorized in unique genres.
- You can download books by chapter.
- Some e-books are included for you to read along with the audiobook.

What We Do Not Like

- Does not let you download the whole book at once with all chapters included.
- Includes only English-read audiobooks.

➤ **Internet Archive**

Link: www.archive.org

The *Internet Archive* also has a **ton of free audiobook downloads** that you can browse through by subject, keywords, or using the search box. There are around 15,000 results for audiobooks and poetry on this website.

My **favorite way to find free audiobooks** at *Internet Archive* is **by sorting the books by view count** to find the most popular audiobooks.

Popular audiobooks here include The Adventures of Sherlock Holmes, Adventures of Huckleberry Finn, Jane Eyre, The Swiss Family Robinson, Moby Dick, The Art of War, and Dracula.

Some are **available in multiple formats** so that you can download an audiobook in the MP3 or OGG format, for example.

Mind Webs is another part of *Internet Archive* that has several dozen classic sci-fi audiobooks.

What We Like

- It has thousands of free audiobook downloads.
- Several sorting options for finding the perfect audiobook.
- It allows you to filter the audiobook downloads by certain criteria.
- Usually multiple audio format options when downloading.
- Can be downloaded in bulk or by individual chapter.

What We Do Not Like

- Many audiobooks are poorly named and hard to recognize at first glance.
- There are not many non-English audiobook downloads.

➤ Loyal Books

Link: www.loyalbooks.com

It is easy to use *Loyal Books* (previously called *Books Should Be Free*) to download free audiobooks. You can **view the audiobooks by the language**, the top 100, **and by genre** like Children, Fiction, Fantasy, Mystery, and more than a dozen others.

You can **listen to these books on the Loyal Books website**, **download MP3s** of the chapters altogether at once **in one ZIP file**, download **the whole audiobook in one M4B file** for iPhones and iPods, **stream from** your Android or iPhone, and even get the audiobook through an RSS reader.

These are public domain books, so you might not see anything here that differs from the other public domain audiobook websites we have already mentioned.

What We Like

- Multiple language options.
- Makes finding the top 100 audiobooks easy.
- Audiobooks are organized in several genres.
- Thousands of free audiobooks.

What We Do Not Like

- Cannot download specific chapters only.

➤ Storynory

Link: www.storynory.com

If you are looking for **free audiobooks for kids**, then *Storynory* should be your first stop.

Every week, *Storynory* publishes a **free audiobook** just for kids. The audiobooks here include original stories, fairy tales, classic stories, educational books, and some small stories for the very little ones.

You can download audiobooks here, **stream** them directly from the website, **or subscribe** through iTunes or another podcasting service.

What We Like

- Great for kids.
- Includes text with the audiobook.
- New audiobooks are released often.

What We Do Not Like

- Very limited compared to most other audiobook websites.

➤ Open Culture

Link: www.openculture.com

Open Culture has several hundred fiction, non-fiction, and poetry audiobooks you can download for free. Just scroll down the **alphabetized list to browse** through everything they have to offer.

These audiobook downloads are located on a variety of other websites, too, so some of them may be direct links to the MP3 while others might be streamed from its download page but not available for download.

Besides free audiobooks, *Open Culture* also has **free movies, online courses, language lessons, and e-books**.

What We Like

- Hundreds of free audiobooks.
- Audiobooks are listed in alphabetical order for easy reading.

What We Do Not Like

- Some audiobooks might not be streamable or downloadable.
- Cannot sort or filter the list of audiobooks.
- No option to search through the list.

➤ Digitalbook.io

Link: www.digitalbook.io

Digitalbook.io (previously known as *Librophile*) is another free audiobook directory that makes it easy to find public domain audiobook downloads.

Browse by the most popular or recently audiobooks to find one you might like, or look through the **list of genres or authors**. You can also see **trending audiobooks** at Digitalbook.io.

You can **download the whole audiobook** or **listen to it in pieces** right on the website.

There are over 100,000 items at *Digitalbook.io*, and while some are audiobooks others are regular e-books.

What We Like

- You can change the playback rate.
- Audiobooks can be launched as podcasts in iTunes.
- Several ways to locate a new free audiobook.
- Includes lots of well-known titles and lesser-known ones.

What We Do Not Like

- Cannot download specific chapters, only the whole audiobook at once.
- Has a lot more e-books than audiobooks.

➤ Light Up Your Brain

Link: www.lightupyourbrain.com

Light Up Your Brain has several free **audiobooks that are just for kids**, and you can **stream** them **or download the audiobooks** to your computer.

A **transcription** of the story is **provided** as well so that beginning readers can read along with the audio.

There are also some **free games for kids** here that are all made to challenge their mind and keep their brain active.

What We Like

- Audiobooks are geared toward kids.
- A text version is available below each audiobook.
- Most audiobooks are under 10 minutes.

What We Do Not Like

- Every audiobook is one long file; there are not chapters.
- Has only kids audiobooks.

➤ ThoughtAudio

Link: www.thoughtaudio.com

ThoughtAudio has **classic works of literature and philosophy** books available for download as free audiobooks. You can browse the whole list or search for books, as well as see them in order of those that were most recently added to the collection.

To get these audiobooks **you have to either listen to them** on the ThoughtAudio website **or download them in installments** by right-clicking each part that you want to save.

PDF transcripts for these audiobooks are also **available** for download.

What We Like

- Provides PDF transcripts of the audiobooks.
- Includes classic audiobooks.
- Allows you to stream directly from the website.

What We Do Not Like

- Must download each chapter individually; no bulk download option.
- No download button, so you have to right-click to save each audiobook MP3.
- No new audiobooks have been added since 2016.

➤ Free Classic Audio Books

Link: www.freeclassicaudiobooks.com

This free audiobook website **specializes in classic and fiction audiobooks** and you can view them by most popular, recently added, or by author's last name.

Some examples include Romeo and Juliet, The Wind in the Willows, The Mysterious Affair at Styles, and Autobiography of Mark Twain.

All the audiobooks here can be **downloaded as an MP3 file** and some of them as **an M4B file** for the iPhone/iPod.

What We Like

- Some audiobooks are available in multiple audio formats.
- Perfect place for classic audiobooks.
- You can download individual chapters as well as whole books.

What We Do Not Like

- Not as many audiobooks as similar websites.
- The website is not as fun or easy to use because there are not any graphics.

➤ Learn Out Loud

Link: www.learnoutloud.com

There are over 10,000 free **educational and video titles** at *Learn Out Loud*, including not only 3,000+ free audiobooks but also lots of documentaries, speeches, and more.

The free audiobooks can be sorted by recently added, random, most popular, or alphabetically. There are also **specific categories** that you can choose to find only those types of free audiobook downloads, such as Science, Technology, Self Development, Languages, Business, and Travel.

These free audiobooks can be **streamed online** or, if you sign up for a free account, downloaded by "purchasing" them like you would something that you have to pay for (but they are still free).

What We Like

- Permits you to listen to thousands of free audiobooks.
- Provides several ways to find and sort the free audiobooks.
- Categorizes audiobooks into unique genres.
- Also has documentaries, courses, speeches, and more.

What We Do Not Like

- A free user account is necessary to download the audiobooks.

➤ Audiobook Sync

Link: www.audiobooksync.com

Audiobook Sync (SYNC) is a free **summer reading program** meant for kids 13 and older, but anyone can take part in it to get free audiobook downloads.

SYNC gives away **two free audiobooks every week** over the summer. It is a perfect way for kids to keep their comprehension skills sharp before returning to school, but also provides a way for adults to grab some free audio e-books.

The *SYNC* service is sponsored by AudioFile magazine, and the **books** themselves are **usable** through the **OverDrive app on mobile and desktop devices**.

You can **sign up for SMS or e-mail alerts** to get reminded when *SYNC* releases new titles. It returns this year (2019) on April 25th.

What We Like

- Encourages kids to keep reading in the summer.
- Gives away two free audiobooks every week in the summer.
- You can sign up for alerts to know when new audiobooks are available.

What We Do Not Like

- Audiobooks are available only in the summer.
- Limits your audiobook downloads to two per week.

➤ New Fiction

Link: www.newfiction.com

New Fiction is a unique audiobook website that describes its **readings as "modern-day radio dramas."**

There are **not very many choices here** but all of them are free and can be streamed from the site or downloaded.

What We Like

- Unique audiobooks.
- Easy to use website.

What We Do Not Like

- Few selections.
- Cannot download the whole book in one file.

➤ Project Gutenberg

Link: www.gutenberg.org

Project Gutenberg has **audiobooks** that are **human-read** and also some that are **computer-generated**. These are public domain books that have been turned into audiobooks that are now available for free for anyone who is interested.

The easiest way to find an audiobook here is to **browse through the authors and titles**. You can also **view** them **by languages** and by the time they were added — over the last 24 hours, the last 7 days, and the last 30 days.

What We Like

- Provides a massive source of free downloads.
- Supports lots of languages.
- Allows you to save audiobook chapters individually or download the entire book.

What We Do Not Like

- Some audiobooks are read by a computer, and so are not as fluid or easy to listen to.
- Most chapters do not have descriptive titles.

➤ Miette´s Bedtime Story Podcast

Link: www.miettecast.com

You will love these audiobooks if you need **something short to listen to before falling asleep**. All of the free audiobook downloads at Miettecast.com can be heard directly from the website, downloaded as MP3s, or streamed through iTunes.

On each download page, the **audiobook is coupled with text** that you can follow along with.

Browse through these free audiobook downloads **by author or date**, or see which audiobooks have the most comments to find popular ones.

What We Like

- The books are short.
- There are 100 free audiobook downloads.
- Comes with text.
- Multiple ways to listen.

What We Do Not Like

- Available only in MP3 format.

➤ English E-Books

Link: www.english-e-books.net

This site has been created to help people learn English language. **Adapted books** – one of the best and interesting ways to increase your vocabulary. Here you can find English e-books of different levels – elementary, intermediate, upper-intermediate and advanced- in epub, mobi, fb2, rtf and txt formats.

Read e-books on you e-Book reader or PC/Mac; we are supporting all of them. You only should choose appropriate type, for e.g.: choose mobi for Kindle, fb2/e-pub for Nook or Pocket Book, e-pub for Nook; you can read on PC/Mac books in rtf, or use txt as the simplest format for reading using any device, even on your mobile-phone.

You can **download** the audiobooks **or read** them **online** for free.

This website allows you to **find out** which readers are the **top rated and top viewed** ones. If you are not interested in a graded book, you can **also download the full book**.

What We Like

- Audiobooks available for different levels.
- There is a synopsis of every audiobook to help you make up your mind about it.
- Information about the total number of words and unique ones.
- Multiple ways to listen.

➤ Ejunto

Link: www.ejunto.org

Ejunto is the place to be if you are interested in **audiobooks on American history, philosophy, autobiographies, and similar topics**.

Although there is a sparse selection and you cannot listen to these public domain audiobooks on the *Ejunto* website, you can **download them to your computer for free**.

Some of the free audio e-books here include a George Washington and Benjamin Franklin's autobiographies, an audio recording of the US Constitution, and *Second Treatise on Government* by John Locke.

If you cannot get the audiobook to work on the *Ejunto* website, try visiting the iTunes link on the download page.

What We Like

- Allows you to listen on iTunes or download as an MP3.
- It is a great source for audiobooks about history.

What We Do Not Like

- Has a limited number of audiobooks compared to similar websites.
- You cannot listen on the website; you have to download them.
- Some MP3 download links do not work.
- Audiobooks cannot be downloaded in bulk; only chapters at a time.

➤ **Scribl**

Link: www.scribl.com

Scribl is a very **different audiobook website** because while there are **some free audiobooks**, **most of them come at a cost**. It is really a hit or miss type of situation when you look for free audio e-books here.

However, we have included it here because you **might find unique books that are not free anywhere else**. Just make sure to grab them quickly because as books get more popular, *Scribl* puts a price on them.

Because *Scribl* has other things, too, like e-books and podcasts, you want to make sure to **filter the results to only show audiobooks**.

What We Like

- Provides audiobooks that normally cost.
- Lets you filter the audiobooks results by language.
- *Lots* of filtering options for styles, character info, etc.

What We Do Not Like

- Most audiobooks are not free.
- It is hard to find just the free audiobooks.

➤ **Spotify**

Link: www.open.spotify.com

Free audiobooks at *Spotify*? Yes! With a catch: it is **only free to download the books if you are a paying user**. *Spotify* memberships allow for downloading content while **free users can only stream the books**.

The free audiobooks at *Spotify* are not organized very well because *Spotify* is a music streaming service, not an audio book website — but there is a good handful of them available.

What We Like

- Lets you stream audiobooks absolutely free.
- Works on computers and mobile devices.
- Also includes tons of free music.

What We Do Not Like

- It is not easy to find audiobooks among all the music.
- Only paying customers can download the free audiobooks.
- You have to have a user account to even search for audiobooks.

➤ **YouTube**

Link: www.youtube.com

Similar to *Spotify*, *YouTube* is **not primarily a good source for audiobooks** because most of the content is music and videos. However, you might have luck finding **some really great free audiobooks** on *YouTube* if you know how to search for them.

If you cannot find an audiobook on *YouTube* by searching for its name followed by "audiobook" (e.g., the six pillars of self-esteem audiobook), you can try Reddit. The [/r/audiobooksonyoutube](https://www.reddit.com/r/audiobooksonyoutube) [sub](https://www.reddit.com/r/audiobooksonyoutube) is built specifically for sharing which videos on *YouTube* are actually audiobooks.

[University Audio Books](http://UniversityAudioBooks.com) is another website that pulls audiobooks from *YouTube*, and might be a lot easier to use than searching *YouTube* yourself.

Once you find an audiobook you like, and so long as you know it is public domain or is legal to download, you can download just the audio from the video with a YouTube to MP3 converter.

What We Like

- Any audiobook you find is free to stream.
- No user account is needed to view or download audiobooks.
- Also has lots of free music and videos.

What We Do Not Like

- Does not provide a built-in way for finding audiobooks.
- Most audiobooks do not have a download link.
